- New Member Class in sanctuary. Led by Pastor Ken.
- *"Jesus Is All About Relationships"*. Led by Steve & Nancy Lord. Upstairs. Remember the 1985 song the "Power of Love" by Huey Lewis, which starts with *"The power of love is a curious thing"*? The power of Jesus's love is not that hard to understand, but it does start with relationships. Come and explore ways to share Jesus's Love in this Sunday morning Adult Education Class — a three session study about how to build relationships within the family, church and community using His power of love.
- **Mission Trip Burrito Fundraiser!** Today between services. You may eat at church or take them with you! There will be no donuts, but cookies will be available. The burritos will be with egg, sausage, cheese and potatoes, wrapped in a tortilla. We will also offer burritos with no meat. Suggested donation: \$4.00.
