- **Playground Update:** *You've been praying on it...and soon you'll be playing on it!* Through donations, fundraisers, and matching funds from BFLC, we have met our financial goal and will proceed full speed ahead with the new playground. We are working with Star Playgrounds to have the new equipment installed by the end of June, which is ahead of the original July target date. We are extremely grateful to have reached this milestone. Thank you to the congregation for your continued support of this project.
